

DEBUTING AT FRIGHTFEST 2010 AVAILABLE ON DVD 6 SEPTEMBER 2010

From the studio that had terrified you with Stephen King's *The Mist* and *Teeth* comes the new edge-of-your-seat thriller **BURNING BRIGHT**. Trapped in a house with a ravenous tiger during a hurricane, a young woman must decide whether or not to sacrifice her younger brother to save her own skin.

When 20 year old Kelly (**Briana Evigan**) wakes late at night during a hurricane, she finds a hungry tiger stalking her through her home. With every door and window boarded up from the outside and her stepfather nowhere to be found, Kelly fights frantically to stay one step ahead of the killer beast. Torn between protecting her autistic brother Tom and saving herself from a brutal mauling, Kelly's situation becomes more complicated and desperate at every terrifying turn.

Briana Evigan, the stunning star of *Step up 2: The Streets* and *Sorority Row*, leads a strong young cast supported by newcomer **Charlie Tahan** as her vulnerable disabled brother and **Garret Dillahunt** (*No Country for Old Men*) as her step-father. **BURNING BRIGHT** also boasts a star turn from hell-raising rocker **Meat Loaf** as the trader who finds a home for the savage Bengali tiger.

The footage of the tiger was shot within the house; no animatronics, no tricks – **this tiger is very real and very hungry.**

A roaring and engaging ride with a unique concept and suspenseful plot, **BURNING BRIGHT** is this year's adrenalin-pumped thriller that is **sure to keep you on the edge of your seat till its bloody finale.**
